What Can We Do To Make The District Web Site More Useful To Your Club?

I've been unsuccessfully looking on our district site, and the RI site for the 2008-2009 Rotary events calendar (ie – theme for each month). That information would be helpful to me in fleshing out my plans for my year as president. It was mentioned at PETS that we use the calendar's themes as the basis for our speakers and/or meeting topics.
