Greetings from the Rotary Club of Polokwane District 9250 South Africa.

Attached please find a “flyer” advertising our club’s Unique Rotary African Safari project. We would be most grateful if you could include the article in your District Newsletter or circulate it to clubs and Rotarians within your District. This unique project serves the dual purpose of promoting international relations and generating funds for worthy charities whilst providing participants with an experience of a lifetime.

Past charities which have benefited from this project are an Environmental Education Centre in Polokwane Game Reserve, The Siloe School for the Blind, Farasani Family Forum for AIDS Orphans and Thusanang Adult Education Outreach Centre. Not to be ignored is the wonderful International Fellowship enjoyed by both the visiting and local Rotarians participating in the safaris.

Previous Rotarian participation in the safaris include the following Past District Governors: Dist 5950 PDG Holly Callen holly@hcallen.com; Dist 5960 PDG Cathy Smith csmith@centralroofing.com; Dist 5230 PDG Don Kremer dekremer@pacbell.net and PDG Rod Belton rodb1st@redshift.com; Dist 5400 PDG Dick Sagness sagassoc@cablone.net; Dist 7770 PDG Anne Mathews Almjimjlm@aol.com and in Europe Dist 1470 PDG Nils Jensen nojensen@private.dk. Please feel free to contact any of them should you require a reference or information on the project.

Thank you for your consideration and any assistance you could give us in publicizing this project would be highly appreciated.

Rotary regards,
Charles Hardy.
